

Crypto Inheritance Fillable Workbook

Sentinel Enterprises LLC

Document everything your family needs — in one place

Your Crypto, Written Down Safely

Print this workbook and fill it in by hand. When you are done, store it somewhere safe and tell one trusted person where it is.

How to use this workbook

Fill this in with a PEN. Do not save the seed phrase words here — only WHERE they are kept. Then place this workbook in your fireproof safe or safety deposit box.

Section 3: My Seed Phrases

STOP — Read This First

NEVER photograph or type your seed phrase. Write it only on paper, by hand.

Below, write only the LOCATION where each seed phrase is physically stored.

Wallet 1 Seed Phrase Location: _____

Wallet 2 Seed Phrase Location: _____

Wallet 3 Seed Phrase Location: _____

The LOCATION is all you need to write here — not the actual words. Example: "Fireproof safe in bedroom closet, blue envelope."
